## WELCOME SKYLIFE INVESTMENT FUNDS

*SkyLife Investment Funds is dedicated to helping investors around the world reach their desired investment goals and broaden their financial horizons. We provide investment products and solutions to our clients across the world. Our breadth of investment capabilities is extensive and among the most innovative within the market.*

*SkyLife Investment Funds was founded on a simple but revolutionary idea that an investment company should be run for the sole benefit of its investors. And so SkyLife Investment Funds was designed to be different, removing outside owners and outside interests from the equation. Because of our investor-owned structure, SkyLife Investment Funds's success can only be measured by your success.*

*Our goal is to make investing in financial markets more affordable, more intuitive, and more fun, no matter how much experience you have(or don't have)*

*Whatever your circumstances, we offer wealth planning and investment management that is appropriate, personal, honest and clear. And whatever your ambitions, we are there to help you use investing in the financial markets to enrich your life.*

## FIXED FUND ACCOUNT INSIGHT

Fixed Deposit (FD) Is an organized investment package that allows you as an investor to manage your Bitcoin account with a higher interest rate other than the ordinary investment packages, this involves depositing and making withdrawals 'monthly or yearly'.

In this package, you either do the fixed deposit 'starter plan or standard plan' and having in mind that no withdrawals are to be made until the agreed monthly or yearly date. No separate account is needed in this package, you can start with a direct fixed deposit account or migrate from your ordinary account to it, and no fees are to be paid to do this. In a fixed investment, investors are opportune to get a 28% weekly interest for the starter plan and 56% weekly interest rate for the standard plan.. This also means that the stater plan minimum deposit is with the range of \$300 to \$9,999(maximum). And standard to be (minimum) \$9,999 to unlimited.

You are also eligible to request for a premature withdrawal from your fixed deposit funds in case of any emergency or sudden financial situations. However, as a certain amount of penalty will be paid to achieve this, having the knowledge of not withdrawing till the agreed time with cost you 5% of your investment from the company both in starter and standard plan has same deductions in this case. Furthermore, not been able to roll up with the weekly deposit of the fixed funds deposit will attract your account to be frozen by the company and to unfreeze this comes with a deposit of the Company's ordinary minimum investment which is the deposit of \$200 to activate your fixed account permanently.

### **Benefits:**

- \* Fixed Investment allows you to accumulate more funds in a random role while investing
- \* It's a risk-free investment plan and guarantees fixed returns from the PAMM AND CySec Policy.
- \* Fixed Investment interest rates are earned massively at the end of the investment that the ordinary packages.
